### **Setting Up Your Digital Camera For HDR Shooting**

We are continuing our series of recommended settings for cameras and this time we have the Sony A6000, an advanced interchangeable lens camera designed for enthusiasts and professionals. In this article, I want to provide some information on what settings I use and shortly explain what some of the important settings do.

### **Recommended Sony A6000 Settings - Photography Life**

Photograph the painting by first putting the camera in mirror-up mode (or set the remote connection to use mirror-up mode). Set ISO to the lowest number, usually 100, and operational mode should be aperture priority or manual (program mode will work too if you can change the aperture setting).
