Message from the Dean. We are driven to support research that impacts the lives of people around the world – including disease-fighting technologies, the development of sustainable infrastructures, and impacting energy, environmental, and transportation systems.

Penn State Engineering: Inspiring Change, Impacting Tomorrow

The past year was an exciting one for our College. We not only set new records in research awards, in student enrollment/diversity, in philanthropic support, in space and facilities, in online offering and in industry engagement, we also succeeded in establishing three national-scale centers, welcoming the most academically prepared freshman class, and attracting and retaining talent.
